# DAY 1 - CATARACT GORGE + BARNBOUGLE DUNES

Begin with Launceston's natural landmark before heading to the northeast coast for an unforgettable opening round at Barnbougles Dunes.

## GOLF EXPERIENCE

Barnbougles Dunes is a strategic links test shaped by dunes, sandy waste, fescue and coastal movement. It rewards planning, creativity and smart positioning rather than brute force alone.

## DAY FLOW

- Cataract Gorge scenic stop
- Travel to Bridport / Barnbougles
- 18 holes at Barnbougles Dunes
- Relaxed evening at Barnbougles
- Preferred stay at Lost Farm Lodge or Barnbougles Dunes

DAY 2

## LOST FARM + LAUNCESTON

---

A hot breakfast sets up the day before guests take on Lost Farm, Barnbougle's spectacular 20-hole sister course. The round moves through dramatic dunes and coastline, with variety and scale that make the experience feel truly different from Day 1.

- 20 holes at Barnbougle Lost Farm
- Coastal links routing through dunes
- Private transfer to Launceston after golf
- Boutique apartment-style stay at The Sebel Launceston
- Pinnacle guests enjoy dinner at a premium local venue

---

## DAY 3 - RATHO FARM HERITAGE GOLF

A complete change of pace: travel through the Midlands to Bothwell for country hospitality, historic buildings and Australia's oldest golf course.

### RATHO FARM

heritage | golf | countryside

#### THE SETTING

Former convict barns and stables, a classic highland homestead and a public course with history in every corner.

#### THE ROUND

Ratho features original holes, restored parkland holes and newer holes along the Clyde River, giving guests a uniquely Tasmanian golf story.

#### AFTER GOLF

Enjoy lunch, visit the Bothwell golf museum and settle in for dinner and boutique accommodation onsite.

---

## DAY 4 - RATHO 9 HOLES + MONA + HOBART

A relaxed final morning on the course, followed by one of Tasmania's most memorable cultural experiences before the tour ends in Hobart.

### THE FINISH

Start with a cooked breakfast, then head back out for a fun 9-hole round at Ratho. It gives guests one more chance to enjoy the historic layout, relax into the surroundings and finish the golf component on a high.

### MONA + DEPARTURE

After golf, travel south to Hobart for lunch and MONA, a bold contemporary museum carved into the banks of the Derwent River. The tour finishes with a Hobart CBD or Hobart Airport drop-off at approximately 4:00 pm.
